

2021 Port Infrastructure Development Program (PIDP) Project Information Form

Field Name	Response	Instructions
Name of Lead Applicant	Any Town Port Authority	Enter the name of the Lead Applicant. This should be the same as the one used in the Grants.gov SF-424 submission, as well as the application project narrative.
Project Name Concise: Title From SF-424	The Any Town Port Renovation Project	Enter a concise descriptive title for the project. This should be the same as the title used in the Grants.gov SF-424 submission, as well as the application project narrative.
Project Description	with a modern, fully functional harbor with a Harbor office and restrooms. The project will also construct a new, ADA access road, a parking area to eliminate the need for the existing steep access stairway. It will pave 48 acres of port owned land for a new cargo laydown	Describe the project in plain English terms that would generally be understood by the public, using no more than 100 words . For example, "The project will replace the existing bridge over the W river on Interstate X between the cities of Y and Z" or "The PIDP Grant will fund construction of an upgraded wharf at the Bay Street terminal." Please do not describe the project's benefits, background, or alignment with the selection criteria in this field.
Is This a Planning Project?	No	Yes – If funding for this project is restricted to planning activities No – If construction activity is part of the proposed project
Is This Project For a Coastal Port?	Yes	Yes – If project is for a coastal port as defined in the NOFO No – If project is not for a coastal port
Is This Project For a Great Lakes Port?	No	Yes – If the project is for a Great Lakes port as defined in the NOFO No – If the project is not for a Great Lakes port
Is this application for a Small Project at a Small Port?	No	of cargo for the port during the three calendar years preceding the time of application is less than 8,000,000 short tons (as determined by U.S. Army Corps of Engineers data or data provided by an independent audit the findings of which are acceptable to the Department of Transportation), and if the application seeks less than \$4.14 million in PIDP grant funding.
GIS Coordinates (X and Y Coordinates)	(X) = 82.7777778 (Y) -174.5230556	Enter the latitude and longitude (in decimals) of where project work will occur. If there are multiple project locations, please provide GIS coordinates for each location
Rural Project?	Urban	Indicate Rural if a majority of the project (by location of costs incurred) is in a Rural area (i.e., outside a 2010 Census-designated Urbanized Area (UA)). Consult the map in the link below: https://www.census.gov/geographies/reference-maps/2010/geo/2010-census-urban-areas.html (detailed PDF maps for every UA) https://www.census.gov/programs-surveys/geography/guidance/geo-areas/urban-rural/2010-urban-rural.html
Project Zip Code	55555	Identify the zip code where the project is located. For projects that are located in more than one zip code, identify the zip code where the project is principally located.
Community Development Zone?	Yes	Indicate if the project is located (entirely or partially) in Federally designated community development zones (i.e., an Empowerment or Opportunity Zone, Promise Zone, or Choice Neighborhood).
• Opportunity Zone	The project is located within a census tract (205510276.00) that is designated as a Qualified Opportunity Zone	Indicate whether the project is in a qualified Opportunity Zone. Consult the map link below: https://www.transportation.gov/opportunity-zones/opportunity-zones-interactive-map
• Empowerment Zone	555 Anywhere Street Frankfort KY 40601 555 Anywhere Street 100 IN Eastern Empowerment zone.	Consult EZ Locator by street address at https://www.dol.gov/agencies/eta/wotc/resources Indicate whether the project is in a qualified Empowerment Zone. Provide the following data: ID # Valid U.S. Street Address (No P.O. Boxes) ,City, State , Zip Code (5 digit), Best Matched Address, Match Score, Zone Status Zone Name, Map URL:
• Promise Zone	The project is in the Westside Promise Zone (WPZ), 1234 Anywhere St Anytown IN 55555 USA	Indicate whether the project is in a qualified Promise zone. Consult the latest list at https://www.hudexchange.info/programs/promise-zones/#designees
• Choice Neighborhood	The project is not in a Choice Neighborhoods zone.	Indicate whether the project is in a qualified Choice Neighborhoods zone. (https://www.hud.gov/program_offices/public_indian_housing/programs/ph/cn)
Anticipated Environmental Reviews (NEPA Status)	EA/FONSI. In Progress.	Indicate the anticipated NEPA level of review for the project (e.g., Categorical Exclusion, Environmental Assessment/ Finding of No Significant Impact, or Environmental Impact Statement/ Record of Decision, etc.) and describe the status of the review (e.g., not started, in progress, completed, etc.).
Project previously Submitted?	BUILD 1 (2018), INFRA (2018)	Was the project submitted in a previous BUILD/TIGER/FASTLANE/INFRA round? If so, indicate which round(s) it was submitted in. Example: "TIGER Round 9, INFRA Round 1 and BUILD Round 1."
Applying for other discretionary grant programs in 2021 for the same work or related scopes of work?	BUILD 4 (2021), INFRA (2021)	Identify whether the applicant is also applying to other USDOT grant programs in 2021 (such as BUILD/TIGER/FASTLANE/INFRA). If so, is the application(s) seeking federal funding for the same proposed project or related scopes of work?
Applicant previously received BUILD/TIGER/FASTLANE/INFRA funding?	TIGER 7 (2015)	Identify whether the project has previously received BUILD/TIGER/FASTLANE/INFRA funding.
Port handled less than 10,000,000 short tons in 2017?	Yes	Indicate whether the port handled less than 10,000,000 short tons in 2017, as identified by the U.S. Army Corps of Engineers.
PIDP Grant Amount Requested	\$4,000,000	Enter the total amount of PIDP grant funds requested .
Total Future Eligible Project costs	\$12,000,000	Enter the total amount of future eligible project costs. This amount excludes previously incurred expenses (See Section C.2. of the NOFO)
Total Project Cost	\$12,000,000	Enter the total cost of the project .
Total Federal Funding	\$4,000,000	Enter the total amount of Federal funding from ALL Federal sources, including the amount of PIDP grant funding requested.
Total Non-Federal Funding	\$8,000,000	Enter the amount of funds committed to the project from non-Federal sources.
Non-Federal Ratio	0.67	Calculate the non-Federal percentage of the project cost by dividing the Total Non-Federal Funds by the Total Future Eligible Project Costs. Enter the result as a two-digit decimal (e.g. ".82" for 82%).
Will RRIF or TIFIA funds be used as part of the project financing?	No	Indicate whether RRIF or TIFIA funding will be used for the project. If so, indicate the amount of funds that will be used.
