MANUAL OF ORDERS

SUBJECT

TRANSFER OF FUNDS FOR WORK OR SERVICES

The purpose of this amendment is to authorize the Assistant Administrator for Policy and Administration to approve all agreements with Agencies of the National Defense Establishment without limit and to improve the administration of defense support agreements. In addition, this amendment reflects the reorganization of the Office of Budget.

Accordingly, the basic order is amended as follows:

Section 4.01 - delete "Budget Officer" (Chief, Division of Budget) and insert "Director, Office of Budget."

Section 5.02 2 - delete

Section 5.02 3 - renumber as Section 5.02 2 and delete "and Program Analysis."

Renumber Section 5.02 4 as 5.02 3 and revise to read as follows:

3 Assistant Administrator for Policy and Administration - all agreements with Agencies of the National Defense Establishment without limit, and not to exceed \$250,000 for all other agreements.

Revise the last sentence of Section 5.02 to read as follows:

Proposed agreements with non-defense Agencies in excess of \$250,000 shall be submitted to the Assistant Secretary for Maritime Affairs for approval.

Sections 5.03 1(1), 5.03 1(2) and 7.02 1 - delete "Budget Officer" and insert "Director, Office of Budget."

Sections 5.03 1(3), 5.03 2, 5.03 3(1), 5.04, and 7.02 2 - delete "and Program Analysis" from "Office of Budget and Program Analysis."
