§ 391.0 Statutory provisions; section 607, Merchant Marine Act, 1936, as amended.

SEC. 607 (a) Agreement Rules.

Any citizen of the United States owning or leasing one or more eligible vessels (as defined in subsection (k)(1)) may enter into an agreement with the Secretary of Transportation under, and as provided in, this section to establish a capital construction fund (hereinafter in this section referred to as the "fund") with respect to any or all of such vessels. Any agreement entered into under this section shall be for the purpose of providing replacement vessels, additional vessels, or reconstructed vessels, built in the United States and documented under the laws of the United States for operation in the United States foreign, Great Lakes, or noncontiguous domestic trade or in the fish-

eries of the United States and shall provide for the deposit in the fund of the amounts agreed upon as necessary or appropriate to provide for qualified withdrawals under subsection (f). The deposits in the fund, and all withdrawals from the fund, whether qualified or nonqualified, shall be subject to such conditions and requirements as the Secretary of Transportation may by regulations prescribe or are set forth in such agreement; except that the Secretary of Transportation may not require any person to deposit in the fund for any taxable year more than 50 percent of that portion of such person's taxable income for such year (computed in the manner provided in subsection (b)(1)(A)) which is attributable to the operation of the agreement vessels.

(b) Ceiling on Deposits.

(1) The amount deposited under subsection (a) in the fund for any taxable year shall not exceed the sum of:

(A) That portion of the taxable income of the owner or lessee for such year (computed as provided in chapter 1 of the Internal Revenue Code of 1954 but without regard to the carryback of any net operating loss or net capital loss and without regard to this section) which is attributable to the operation of the agreement vessels in the foreign or domestic commerce of the United States or in the fisheries of the United States.

(B) The amount allowable as a deduction under section 167 of the Internal Revenue Code of 1954 for such year with respect to the agreement vessels.

(C) If the transaction is not taken into account for purposes of subparagraph (A), the net proceeds (as defined in joint regulations) from (i) the sale or other disposition of any agreement vessel, or (ii) insurance or indemnity attributable to any agreement vessel, and

(D) The receipts from the investment or re-investment of amounts held in such fund.

(2) In the case of a lessee, the maximum amount which may be deposited with respect to an agreement vessel by reason of paragraph (1)(B) for any period shall be reduced by any amount which, under an agreement entered into under this section, the owner is required or permitted to deposit for such period with respect to such vessel by reason of paragraph (1)(B).

(3) For purposes of paragraph (1), the term *agreement vessel* includes barges and containers which are part of the complement of such vessel and which are provided for in the agreement.

(c) Requirements as to Investments.

Amounts in any fund established under this section shall be kept in the depository or depositories specified in the agreement and shall be subject to such trustee and other fiduciary requirements as may be specified by the Secretary of Transportation.

Maritime Administration, DOT

§ 391.0

They may be invested only in interest-bearing securities approved by the Secretary of Transportation; except that, if the Secretary of Transportation consents thereto, an agreed percentage (not in excess of 60 percent) of the assets of the fund may be invested in the stock of domestic corporations. Such stock must be currently fully listed and registered on an exchange registered with the Securities and Exchange Commission as a national securities exchange, and must be stock which would be acquired by prudent men of discretion and intelligence in such matters who are seeking a reasonable income and the preservation of their capital. If at any time the fair market value of the stock in the fund is more than the agreed percentage of the assets in the fund, any subsequent investment of amounts deposited in the fund, and any subsequent withdrawal from the fund, shall be made in such a way as to tend to restore the fund to a situation in which the fair market value of the stock does not exceed such agreed percentage. For purposes of this subsection, if the common stock of a corporation meets the requirements of this subsection, and if the preferred stock of such corporation would meet such requirements but for the fact that it cannot be listed and registered as required because it is nonvoting stock, such preferred stock shall be treated as meeting the requirements of this subsection.

(d) Nontaxability for Deposits.

(1) For purposes of the Internal Revenue Code of 1954—

(A) Taxable income (determined without regard to this section) for the taxable year shall be reduced by an amount equal to the amount deposited for the taxable year out of amounts referred to in subsection (b)(1)(A).

(B) Gain from a transaction referred to in subsection (b)(1)(C) shall not be taken into account if an amount equal to the net proceeds (as defined in joint regulations) from such transaction is deposited in the fund.

(C) The earnings (including gains and losses) from the investment and reinvestment of amounts held in the fund shall not be taken into account.

(D) The earnings and profits of any corporation (within the meaning of section 316 of such Code) shall be determined without regard to this section, and

(E) In applying the tax imposed by section 531 of such Code (relating to the accumulated earnings tax), amounts while held in the fund shall not be taken into account.

(2) Paragraph (1) shall apply with respect to any amount only if such amount is deposited in the fund pursuant to the agreement and not later than the time provided in joint regulations.

(e) Establishment of Accounts.

For purposes of this section—

(1) Within the fund established pursuant to this section three accounts shall be maintained:

- (A) The capital account,
- (B) The capital gain account, and
- (C) The ordinary income account.

(2) The capital account shall consist of—

(A) Amounts referred to in subsection (b)(1)(B).

(B) Amounts referred to in subsection (b)(1)(C) other than that portion thereof which represents gain not taken into account by reason of subsection (d)(1)(B),

(C) 85 percent of any dividend received by the fund with respect to which the person maintaining the fund would (but for subsection (d)(1)(C)) be allowed a deduction under section 243 of the Internal Revenue Code of 1954, and

(D) Interest income exempt from taxation under section 103 of such Code.

(3) The capital gain account shall consist of—

(A) Amounts representing capital gains on assets held for more than 6 months and referred to in subsection (b)(1)(C) or (b)(1)(D), reduced by—

(B) Amounts representing capital losses on assets held in the fund for more than 6 months.

(4) The ordinary income account shall consist of—

(A) Amounts referred to in subsection (b)(1)(A),

(B)(i) Amounts representing capital gains on assets held for 6 months or less and referred to in subsection (b)(1)(C) or (b)(1)(D), reduced by—

(ii) Amounts representing capital losses on assets held in the fund for 6 months or less.

(C) Interest (not including any tax-exempt interest referred to in paragraph (2)(D)) and other ordinary income (not including any dividend referred to in subparagraph (E)) received on assets held in the fund.

(D) Ordinary income from a transaction described in subsection (b)(1)(C), and

(E) 15 percent of any dividend referred to in paragraph (2)(C).

(5) Except on termination of a fund, capital losses referred to in paragraph (3)(B) or in paragraph (4)(B)(ii) shall be allowed only as an offset to gains referred to in paragraph (3)(A) or (4)(B)(i), respectively.

(f) Purposes of Qualified Withdrawals.

(1) A qualified withdrawal from the fund is one made in accordance with the terms of the agreement but only if it is for:

(A) The acquisition, construction, or reconstruction of a qualified vessel,

(B) The acquisition, construction, or reconstruction of barges and containers which are part of the complement of a qualified vessel, or

(C) The payment of the principal on indebtedness incurred in connection with the acquisition, construction or reconstruction of

§ 391.0

46 CFR Ch. II (10-1-07 Edition)

a qualified vessel or a barge or container which is part of the complement of a qualified vessel.

Except to the extent provided in regulations prescribed by the Secretary of Transportation, subparagraph (B), and so much of subparagraph (C) as relates only to barges and containers, shall apply only with respect to barges and containers constructed in the United States.

(2) Under joint regulations, if the Secretary of Transportation determines that any substantial obligation under any agreement is not being fulfilled, he may, after notice and opportunity for hearing to the person maintaining the fund, treat the entire fund or any portion thereof as an amount withdrawn from the fund in a nonqualified withdrawal.

(g) Tax Treatment of Qualified Withdrawals.

(1) Any qualified withdrawal from a fund shall be treated—

(A) First as made out of the capital account.

(B) Second as made out of the capital gain account, and

(C) Third as made out of the ordinary income account.

(2) If any portion of a qualified withdrawal for a vessel, barge, or container is made out of the ordinary income account, the basis of such vessel, barge, or container shall be reduced by an amount equal to such portion.

(3) If any portion of a qualified withdrawal for a vessel, barge, or container is made out of the capital gain account, the basis of such vessel, barge, or container shall be reduced by an amount equal to—

(A) Five-eighths of such portion, in the case of a corporation (other than an electing small business corporation, as defined in section 1371 of the Internal Revenue Code of 1954), or

(B) One-half of such portion, in the case of any other person.

(4) If any portion of a qualified withdrawal to pay the principal on any indebtedness is made out of the ordinary income account or the capital gain account, then an amount equal to the aggregate reduction which would be required by paragraphs (2) and (3) if this were a qualified withdrawal for a purpose described in such paragraphs shall be applied, in the order provided in joint regulations, to reduce the basis of vessels, barges, and containers owned by the person maintaining the fund. Any amount of a withdrawal remaining after the application of the preceding sentence shall be treated as a nonqualified withdrawal.

(5) If any property the basis of which was reduced under paragraph (2), (3), or (4) is disposed of, any gain realized on such disposition, to the extent it does not exceed the aggregate reduction in the basis of such property under such paragraphs, shall be treated

as an amount referred to in subsection (h)(3)(A) which was withdrawn on the date of such disposition. Subject to such conditions and requirements as may be provided in joint regulations, the preceding sentence shall not apply to a disposition where there is a redeposit in an amount determined under joint regulations which will insofar as practicable, restore the fund to the position it was in before the withdrawal.

(h) Tax Treatment of Nonqualified Withdrawals.

(1) Except as provided in subsection (i), any withdrawal from a fund which is not a qualified withdrawal shall be treated as a nonqualified withdrawal.

(2) Any nonqualified withdrawal from a fund shall be treated—

(A) First as made out of the ordinary income account,

(B) Second as made out of the capital gain account, and

(C) Third as made out of the capital account.

For purposes of this section, items withdrawn from any account shall be treated as withdrawn on a first-in-first-out basis; except that (i) any nonqualified withdrawal for research, development, and design expenses incident to new and advanced ship design, machinery and equipment, and (ii) any amount treated as a nonqualified withdrawal under the second sentence of subsection (g)(4), shall be treated as withdrawn on a last-in-first-out basis.

(3) For purposes of the Internal Revenue Code of 1954—

(A) Any amount referred to in paragraph (2)(A) shall be included in income as an item of ordinary income for the taxable year in which the withdrawal is made.

(B) Any amount referred to in paragraph (2)(B) shall be included in income for the taxable year in which the withdrawal is made as an item of gain realized during such year from the disposition of an asset held for more than 6 months, and

(C) For the period on or before the last date prescribed for payment of tax for the taxable year in which this withdrawal is made—

(i) No interest shall be payable under section 6601 of such Code and no addition to the tax shall be payable under section 6651 of such Code.

(ii) Interest on the amount of the additional tax attributable to any item referred to in subparagraph (A) or (B) shall be paid at the applicable rate (as defined in paragraph (4)) from the last date prescribed for payment of the tax for the taxable year for which such item was deposited in the fund, and

(iii) No interest shall be payable on amounts referred to in clauses (i) and (ii) of

Maritime Administration, DOT

§ 391.0

paragraph (2) or in the case of any non-qualified withdrawal arising from the application of the recapture provision of section 606(5) of the Merchant Marine Act of 1936 as in effect on December 31, 1969.

(4) For purposes of paragraph (3)(C)(ii), the applicable rate of interest for any non-qualified withdrawal—

(A) Made in a taxable year beginning in 1970 or 1971 is 8 percent, or

(B) Made in a taxable year beginning after 1971, shall be determined and published jointly by the Secretary of the Treasury and the Secretary of Transportation and shall bear a relationship to 8 percent which the Secretaries determine under joint regulations to be comparable to the relationship which the money rates and investment yields for the calendar year immediately preceding the beginning of the taxable year bear to the money rates and investment yields for the calendar year 1970.

(i) Certain Corporate Reorganizations and Changes in Partnerships.

Under joint regulations—

(1) A transfer of a fund from one person to another person in a transaction to which section 381 of the Internal Revenue Code of 1954 applies may be treated as if such transaction did not constitute a nonqualified withdrawal, and

(2) A similar rule shall be applied in the case of a continuation of a partnership (within the meaning of subchapter K of such Code).

(j) Treatment of Existing Funds.

(1) Any person who was maintaining a fund or funds (hereinafter in this subsection referred to as "old fund") under this section (as in effect before the enactment of this subsection) may elect to continue such old fund but—

(A) May not hold moneys in the old fund beyond the expiration date provided in the agreement under which such old fund is maintained (determined without regard to any extension or renewal entered into after April 14, 1970),

(B) May not simultaneously maintain such old fund and a new fund established under this section, and

(C) If he enters into an agreement under this section to establish a new fund, may agree to the extension of such agreement to some or all of the amounts in the old fund.

(2) In the case of any extension of an agreement pursuant to paragraph (1)(C), each item in the old fund to be transferred shall be transferred in a nontaxable transaction to the appropriate account in the new fund established under this section. For purposes of subsection (h)(3)(C), the date of the deposit of any item so transferred shall be July 1, 1971, or the date of the deposit in the old fund, whichever is the later.

(k) Definitions.

For purposes of this section—

(1) The term *eligible vessel* means any vessel—

(A) Constructed in the United States and, if reconstructed, reconstructed in the United States,

(B) Documented under the laws of the United States, and

(C) Operated in the foreign or domestic commerce of the United States or in the fisheries of the United States.

Any vessel which (i) was constructed outside of the United States but documented under the laws of the United States on April 15, 1970, or (ii) constructed outside the United States for use in the United States foreign trade pursuant to a contract entered into before April 15, 1970, shall be treated as satisfying the requirements of subparagraph (A) of this paragraph and the requirements of subparagraph (A) of paragraph (2).

(2) The term *qualified vessel* means any vessel—

(A) Constructed in the United States and, if reconstructed, reconstructed in the United States,

(B) Documented under the laws of the United States, and

(C) Which the person maintaining the fund agrees with the Secretary of Transportation will be operated in the United States foreign, Great Lakes, or noncontiguous domestic trade or in the fisheries of the United States.

(3) The term *agreement vessel* means any eligible vessel or qualified vessel which is subject to an agreement entered into under this section.

(4) The term *United States*, when used in a geographical sense, means the continental United States including Alaska, Hawaii, and Puerto Rico.

(5) The term *United States foreign trade* includes (but is not limited to) those areas in domestic trade in which a vessel built with construction-differential subsidy is permitted to operate under the first sentence of section 506 of the Act.

(6) The term *joint regulations* means regulations prescribed under subsection (1).

(7) The term *vessel* includes cargo handling equipment which the Secretary of Transportation determines is intended for use primarily on the vessel. The term *vessel* also includes an ocean-going towing vessel or an ocean-going barge or comparable towing vessel or barge operated on the Great Lakes.

(8) The term *noncontiguous trade* means (i) trade between the contiguous forty-eight States on the one hand and Alaska, Hawaii, Puerto Rico and the insular territories and possessions of the United States on the other hand, and (ii) trade from any point in Alaska, Hawaii, Puerto Rico, and such territories and possessions to any other point in Alaska, Hawaii, Puerto Rico, and such territories and possessions.

(l) Records; Reports; Changes in Regulations.

§ 391.1

Each person maintaining a fund under this section shall keep such records and shall make such reports as the Secretary of Transportation or the Secretary of the Treasury shall require. The Secretary of the Treasury and the Secretary of Transportation shall jointly prescribe all rules and regulations, not inconsistent with the foregoing provisions of this section, as may be necessary or appropriate to the determination of tax liability under this section. If, after an agreement has been entered into under this section, a change is made either in the joint regulations or in the regulations prescribed by the Secretary of Transportation under this section which could have a substantial effect on the rights or obligations of any person maintaining a fund under this section, such person may terminate such agreement.

§ 391.1 Scope of section 607 of the Act and the regulations in this part.

(a) *In general.* The regulations prescribed in this part provide rules for determining the income tax liability of any person a party to an agreement with the Secretary of Transportation establishing a capital construction fund (for purposes of this part referred to as the "fund") authorized by section 607 of the Merchant Marine Act, 1936, as amended (for purposes of this part referred to as the "Act"). With respect to such parties, section 607 of the Act in general provides for the nontaxability of certain deposits of money or other property into the fund out of earnings or gains realized from the operation of vessels covered in an agreement, gains realized from the sale or other disposition of agreement vessels or proceeds from insurance for indemnification for loss of agreement vessels, earnings from the investment or reinvestment of amounts held in a fund, and gains with respect to amounts or deposits in the fund. Transitional rules are also provided for the treatment of "old funds" existing on or before the effective date of the Merchant Marine Act of 1970 (see § 391.10).

(b) *Cross references.* For rules relating to eligibility for a fund, deposits, and withdrawals and other aspects, see the regulations prescribed by the Secretary of Transportation in title 46 (Merchant Marine) and by the Secretary of Commerce in title 50 (Fisheries) of the Code of Federal Regulations.

46 CFR Ch. II (10–1–07 Edition)

(c) *Code.* For purposes of this part, the term *Code* means the Internal Revenue Code of 1954, as amended.

§ 391.2 Ceiling on deposits.

(a) *In general*—(1) *Total ceiling.* Section 607(b) of the Act provides a ceiling on the amount which may be deposited by a party for a taxable year pursuant to an agreement. The amount which a party may deposit into a fund may not exceed the sum of the following subceilings:

(i) The lower of (a) the taxable income (if any) of the party for such year (computed as provided in chapter 1 of the Code but without regard to the carryback of any net operating loss or net capital loss and without regard to section 607 of the Act) or (b) taxable income (if any) of such party for such year attributable under paragraph (b) of this section to the operation of agreement vessels (as defined in paragraph (f) of this section) in the foreign or domestic commerce of the United States or in the fisheries of the United States (see section 607(b)(1)(A) of the Act),

(ii) Amounts allowable as a deduction under section 167 of the Code for such year with respect to the agreement vessels (see section 607(b)(1)(B) of the Act),

(iii) The net proceeds (if not included in paragraph (a)(i) of this section) from (a) the sale or other disposition of any agreement vessels or (b) insurance or indemnity attributable to any agreement vessels (see section 607(b)(1)(C) of the Act and paragraph (c) of this section), and

(iv) Earnings and gains from the investment or reinvestment of amounts held in such fund (see section 607(b)(1)(D) of the Act and paragraphs (d) and (g) of this section).

(2) *Overdeposits.* (i) If for any taxable year an amount is deposited into the fund under a subceiling computed under paragraph (a)(1) of this section which is in excess of the amount of such subceiling for such year, then at the party's option such excess (or any portion thereof) may—

(a) Be treated as a deposit into the fund for that taxable year under another available subceiling, or

(b) Be treated as not having been deposited for the taxable year and thus, at the party's option, may be disposed of either by it being—

(1) Treated as a deposit into the fund under any subceiling available in the first subsequent taxable year in which a subceiling is available, in which case such amount shall be deemed to have been deposited on the first day of such subsequent taxable year, or

(2) Repaid to the party from the fund.

(i)(a) When a correction is made for an overdeposit, proper adjustment shall be made with respect to all items for all taxable years affected by the overdeposit, such as, for example, amounts in each account described in § 391.4, treatment of nonqualified withdrawals, the consequences of qualified withdrawals and the treatment of losses realized or treated as realized by the fund. Thus, for example, if the party chooses to have the fund repay to him the amount of an overdeposit, amounts in each account, basis of assets, and any affected item will be determined as though no deposit and repayment had been made. Accordingly, in such a case, if there are insufficient amounts in an account to cover a repayment of an overdeposit (as determined before correcting the overdeposit), and the party had applied the proceeds of a qualified withdrawal from such account towards the purchase of a qualified vessel (within the meaning of § 391.11(a)(2)), then such account and the basis of the vessel shall be adjusted as of the time such withdrawal was made and proceeds were applied, and repayment shall be made from such account as adjusted. If a party chooses to treat the amount of an overdeposit as a deposit under a subceiling for a subsequent year, similar adjustments to affected items shall be made. If the amount of a withdrawal would have exceeded the amount in the fund (determined after adjusting all affected amounts by reason of correcting the overdeposit), the withdrawal to the extent of such excess shall be treated as a repayment made at the time the withdrawal was made.

(b) If the accounts (as defined in § 391.4) that were increased by reason of excessive deposits contain sufficient amounts at the time the overdeposit is

discovered to repay the party, the party may, at his option, demand repayment of such excessive deposits from such accounts in lieu of making the adjustments required by paragraph (a)(2)(i)(a) of this section.

(iii) During the period beginning with the day after the date an overdeposit was actually made and ending with the date it was disposed of in accordance with paragraph (a)(2)(i)(b) of this section, there shall be included in the party's gross income for each taxable year the earnings attributed to any amount of overdeposit on hand during such a year. The earnings attributable to any amount of overdeposit on hand during a taxable year shall be an amount equal to the product of—

(a) The average daily earnings for each one dollar in the fund (as determined in paragraph (a)(2)(iv) of this section),

(b) The amount of overdeposit (as determined in paragraph (a)(2)(vi) of this section), and

(c) The number of days during the taxable year the overdeposit existed.

(iv) For purposes of paragraph (a)(2)(iii)(a) of this section, the average daily earnings for each dollar in the fund shall be determined by dividing the total earnings of the fund for the taxable year by the sum of the products of—

(a) Any amount on hand during the taxable year (determined under paragraph (a)(2)(v) of this section), and

(b) The number of days during the taxable year such amount was on hand in the fund.

(v) For purposes of this paragraph—

(a) An amount on hand in the fund or an overdeposit shall not be treated as on hand on the day deposited but shall be treated as on hand on the day withdrawn, and

(b) The fair market value of such amounts on hand for purposes of this subparagraph shall be determined as provided in § 20.2031-2 of the Estate Tax Regulations of this chapter but without applying the blockage and other special rules contained in paragraph (e) thereof.

(vi) For purposes of paragraph (a)(2)(iii)(b) of this section, the amount of overdeposit on hand at any time is an amount equal to—

§ 391.2

46 CFR Ch. II (10-1-07 Edition)

(a) The amount deposited into the fund under a subceiling computed under paragraph (a)(1) of this section which is in excess of the amount of such subceiling, less

(b) The sum of—

(1) Amounts described in paragraph (a)(2)(vi)(a) of this section treated as a deposit under another subceiling for the taxable year pursuant to paragraph (a)(2)(i) of this section,

(2) Amounts described in paragraph (a)(2)(vi)(a) of this section disposed of (or treated as disposed of) in accordance with paragraphs (a)(2)(i) or (ii) of this section prior to such time.

(vii) To the extent earnings attributed under paragraph (a)(2)(iii) of this section represent a deposit for any taxable year in excess of the subceiling described in paragraph (a)(1)(iv) of this section for receipts from the investment or reinvestment of amounts held in the fund, such attributed earnings shall be subject to the rules of this paragraph for overdeposits.

(3) *Underdeposit caused by audit adjustment.* [Reserved]

(4) *Requirements for deficiency deposits.* [Reserved]

(b) *Taxable income attributable to the operation of an agreement vessel*—(1) *In general.* For purposes of this section, taxable income attributable to the operation of an agreement vessel means the amount, if any, by which the gross income of a party for the taxable year from the operation of an agreement vessel (as defined in paragraph (f) of this section) exceeds the allowable deductions allocable to such operation (as determined under paragraph (b)(3) of this section). The term *taxable income attributable to the operation of the agreement vessels* means the sum of the amounts described in the preceding sentence separately computed with respect to each agreement vessel (or share therein) or, at the party's option, computed in the aggregate.

(2) *Gross income.* (i) Gross income from the operation of agreement vessels means the sum of the revenues which are derived during the taxable year from the following:

(a) Revenues derived from the transportation of passengers, freight, or mail in such vessels, including amounts from contracts for the charter

of such vessels to others, from operating differential subsidies, from collections in accordance with pooling agreements and from insurance or indemnity net proceeds relating to the loss of income attributable to such agreement vessels.

(b) Revenues derived from the operation of agreement vessels relating to commercial fishing activities, including the transportation of fish, support activities for fishing vessels, charters for commercial fishing, and insurance or indemnity net proceeds relating to the loss of income attributable to such agreement vessels.

(c) Revenues from the rental lease, or use by others of terminal facilities, revenues from cargo handling operations and tug and lighter operations, and revenues from other services or operations which are incidental and directly related to the operation of an agreement vessel. Thus, for example, agency fees, commissions, and brokerage fees derived by the party at his place of business for effecting transactions for services incidental and directly related to shipping for the accounts of other persons are includible in gross income from the operation of agreement vessels where the transaction is of a kind customarily consummated by the party for his own account at such place of business.

(d) Dividends, interest, and gains derived from assets set aside and reasonably retained to meet regularly occurring obligations relating to the shipping or fishing business directly connected with the agreement vessel which obligations cannot at all times be met from the current revenues of the business because of layups or repairs, special surveys, fluctuations in the business, and reasonably foreseeable strikes (whether or not a strike actually occurs), and security amounts retained by reason of participation in conferences, pooling agreements, or similar agreements.

(ii) The items of gross income described in paragraphs (b)(2)(i) (c) and (d) of this section shall be considered to be derived from the operations of a particular agreement vessel in the same proportion that the sum of the items of gross income described in paragraphs (b)(2)(i) (a) and (b) of this

section which are derived from the operations of such agreement vessel bears to the party's total gross income for the taxable year from operations described in paragraphs (b)(2)(i) (a) and (b) of this section.

(iii) In the case of a party who uses his own or leased agreement vessels to transport his own products, the gross income attributable to such vessel operations is an amount determined to be an arm's length charge for such transportation. The arm's length charge shall be determined by applying the principles of section 482 of the Code and the regulations thereunder as if the party transporting the product and the owner of the product were not the same person but were controlled taxpayers within the meaning of § 1.482-1(a)(4) of the Income Tax Regulations of this chapter. Gross income attributable to the operation of agreement vessels does not include amounts for which the party is allowed a deduction for percentage depletion under sections 611 and 613 of the Code.

(3) *Deductions.* From the gross income attributable to the operation of an agreement vessel or vessels as determined under paragraph (b)(2) of this section, there shall be deducted in accordance with the principles of § 1.861-8 of the Income Tax Regulations of this chapter, the expenses, losses, and other deductions definitely related and therefore allocated and apportioned thereto and a ratable part of any expenses, losses, or other deductions which are not definitely related to any gross income of the party. Thus, for example, if a party has gross income attributable to the operation of an agreement vessel and other gross income and has a particular deduction definitely related to both types of gross income, such deductions must be apportioned between the two types of gross income on a reasonable basis in determining the taxable income attributable to the operation of the agreement vessel.

(4) *Net operating and capital loss deductions.* The taxable income of a party attributable to the operation of agreement vessels shall be computed without regard to the carryback of any net operating loss deduction allowed by section 172 of the Code, the carryback

of any net capital loss deduction allowed by section 165(f) of the Code, or any reduction in taxable income allowed by section 607 of the Act.

(5) *Method of accounting.* Taxable income must be computed under the method of accounting which the party uses for Federal income tax purposes. Such method may include a method of reporting whereby items of revenue and expense properly allocable to voyages in progress at the end of any accounting period are eliminated from the computation of taxable income for such accounting period and taken into account in the accounting period in which the voyage is completed.

(c) *Net proceeds from transactions with respect to agreement vessels.* [Reserved]

(d) *Earnings and gains from the investment or reinvestment of amounts held in a fund—(1) In general.* (i) Earnings and gains received or accrued by a party from the investment or reinvestment of assets in a fund is the total amount of any interest or dividends received or accrued, and gains realized, by the party with respect to assets deposited in, or purchased with amounts deposited in, such fund. Such earnings and gains are therefore required to be included in the gross income of the party unless such amount, or a portion thereof, is not taken into account under section 607(d)(1)(C) of the Act and § 391.3(b)(2)(ii) by reason of a deposit or deemed deposit into the fund. For rules relating to receipts from the sale or other disposition of nonmoney deposits into the fund, see paragraph (g) of this section.

(ii) Earnings received or accrued by a party from investment or reinvestment of assets in a fund include the ratable monthly portion of original issue discount included in gross income pursuant to section 1232(a)(3) of the Code. Such ratable monthly portion shall be deemed to be deposited into the ordinary income account of the fund, but an actual deposit representing such ratable monthly portion shall not be made. For basis of a bond or other evidence of indebtedness issued at a discount, see § 391.3(b)(2)(ii)(b).

(2) *Gain realized.* (i) The gain realized with respect to assets in the fund is the excess of the amount realized (as defined in section 1001(b) of the Code and

the regulations thereunder) by the fund on the sale or other disposition of a fund asset over its adjusted basis (as defined in section 1011 of the Code) to the fund. For the adjusted basis of non-money deposits, see paragraph (g) of this section.

(ii) Property purchased by the fund (including property considered under paragraph (g)(1)(iii) of this section as purchased by the fund) which is withdrawn from the fund in a qualified withdrawal (as defined in §391.5) is treated as a disposition to which subdivision (i) of this subparagraph applies. For purposes of determining the amount by which the balance within a particular account will be reduced in the manner provided in §391.6(b) (relating to order of application of qualified withdrawals against accounts) and for purposes of determining the reduction in basis of a vessel, barge, or container (or share therein) pursuant to §391.6(c), the value of the property is its fair market value on the day of the qualified withdrawal.

(3) *Holding Period.* Except as provided in paragraph (g) of this section, the holding period of fund assets shall be determined under section 1223 of the Code.

(e) *Leased vessels.* In the case of a party who is a lessee of an agreement vessel, the maximum amount which such lessee may deposit with respect to any agreement vessel by reason of section 607(b)(1)(B) of the Act and paragraph (a)(1)(ii) of this section (relating to depreciation allowable) for any period shall be reduced by the amount (if any) which, under an agreement entered into under section 607 of the Act, the owner is required or permitted to deposit for such period with respect to such vessel by reason of section 607(b)(1)(B) of the Act and paragraph (a)(1)(ii) of this section. The amount of depreciation depositable by the lessee under this paragraph is the amount of depreciation deductible by the lessor on its income tax return, reduced by the amount described in the preceding sentence or the amount set forth in the agreement, whichever is lower.

(f) *Definition of agreement vessel.* For purposes of this section, the term *agreement vessel* (as defined in §391.11 (a)(3) and 46 CFR 390.6) includes barges

and containers which are the complement of an agreement vessel and which are provided for in the agreements, agreement vessels which have been contracted for or are in the process of construction, and any shares in an agreement vessel. Solely for purposes of this section, a party is considered to have a “share” in an agreement vessel if he has a right to use the vessel to generate income from its use whether or not the party would be considered as having a proprietary interest in the vessel for purposes of State or Federal law. Thus, a partner may enter into an agreement with respect to his share of the vessel owned by the partnership and he may make deposits of his distributive share of the sum of the four subceilings described in paragraph (a)(1) of this section. Notwithstanding the provisions of Subchapter K of the Code (relating to the taxation of partners and partnerships), the Internal Revenue Service will recognize, solely for the purposes of applying this part, an agreement by an owner of a share in an agreement vessel even though the “share” arrangement is a partnership for purposes of the Code.

(g) *Special rules for nonmoney deposits and withdrawals—(1) In general.* (i) Deposits may be made in the form of money or property of the type permitted to be deposited under the agreement. (For rules relating to the types of property which may be deposited into the fund, see 46 CFR 390.7(d), and 50 CFR Part 259.) For purposes of this paragraph, the term *property* does not include money.

(ii) Whether or not the election provided for in paragraph (g)(2) of this section is made—

(a) The amount of any property deposit, and the fund’s basis for property deposited in the fund, is the fair market value of the property at the time deposited, and

(b) The fund’s holding period for the property begins on the day after the deposit is made.

(iii) Unless such an election is made, deposits of property into a fund are considered to be a sale at fair market value of the property, a deposit of cash equal to such fair market value, and a purchase by the fund of such property for cash. Thus, in the absence of the

election, the difference between the fair market value of such property deposited and its adjusted basis shall be taken into account as gain or loss for purposes of computing the party's income tax liability for the year of deposit.

(iv) For fund's basis and holding period of assets purchased by the fund, see paragraphs (d) (2) and (3) of this section.

(2) *Election not to treat deposits of property other than money as a sale or exchange at the time of deposit.* A party may elect to treat a deposit of property as if no sale or other taxable event had occurred on the date of deposit. If such election is made, in the taxable year the fund disposes of the property, the party shall recognize as gain or loss the amount he would have recognized on the day the property was deposited into the fund had the election not been made. The party's holding period with respect to such property shall not include the period of time such property was held by the fund. The election shall be made by a statement to that effect, attached to the party's Federal income tax return for the taxable year to which the deposit relates, or, if such return is filed before such deposit is made, attached to the party's return for the taxable year during which the deposit is actually made.

(3) *Effect of qualified withdrawal of property deposited pursuant to election.* If property deposited into a fund, with respect to which an election under paragraph (g)(2) of this section is made, is withdrawn from the fund in a qualified withdrawal (as defined in § 391.5) such withdrawal is treated as a disposition of such property resulting in recognition by the party of gain or loss (if any) as provided in paragraph (g)(2) of this section with respect to nonfund property. In addition, such withdrawal is treated as a disposition of such property by the fund resulting in recognition of gain or loss by the party with respect to fund property to the extent the fair market value of the property on the date of withdrawal is greater or less (as the case may be) than the adjusted basis of the property to the fund on such date. For purposes of determining the amount by which the balance within a particular account will

be reduced in the manner provided in § 391.6(b) (relating to order of application of qualified withdrawals against accounts and for purposes of determining the reduction in basis of a vessel, barge, or container (or share therein) pursuant to § 391.6(c), the value of the property is its fair market value on the day of the qualified withdrawal. For rules relating to the effect of a qualified withdrawal of property purchased by the fund (including deposited property considered under paragraph (g)(1)(iii) of this section as purchased by the fund), see paragraph (d)(2)(ii) of this section.

(4) *Effect of nonqualified withdrawal of property deposited pursuant to election.* If property deposited into a fund with respect to which an election under paragraph (g)(2) of this section is made, is withdrawn from the fund in a nonqualified withdrawal (as defined in § 391.7(b)), no gain or loss is to be recognized by the party with respect to fund property or nonfund property but an amount equal to the adjusted basis of the property to the fund is to be treated as a nonqualified withdrawal. Thus, such amount is to be applied against the various accounts in the manner provided in § 391.7(c), such amount is to be taken into account in computing the party's taxable income as provided in § 391.7(d), and such amount is to be subject to interest to the extent provided for in § 391.7(e). In the case of withdrawals to which this subparagraph applies, the adjusted basis of the property in the hands of the party is the adjusted basis on the date of deposit, increased or decreased by the adjustments made to such property while held in the fund, and in determining the period for which the party has held the property there shall be included, in addition to the period the fund held the property, the period for which the party held the property before the date of deposit of the property into the fund. For rules relating to the basis and holding period of property purchased by the fund (including deposited property considered under paragraph (g)(1)(ii) of this section as purchased by the fund) and withdrawn in a nonqualified withdrawal see § 391.7(f).

(5) *Examples.* The provisions of this paragraph are illustrated by the following examples:

Example (1). X Corporation, which uses the calendar year as its taxable year, maintains a fund described in § 391.1 X's taxable income (determined without regard to section 607 of the Act) is \$100,000, of which \$80,000 is taxable income attributable to the operation of agreement vessels (as determined under paragraph (b)(1) of this section). Under the agreement, X is required to deposit into the fund all earnings and gains received from the investment or reinvestment of amounts held in the fund, an amount equal to the net proceeds from transactions referred to in § 391.2(c), and an amount equal to 50 percent of its earnings attributable to the operation of agreement vessels provided that such 50 percent does not exceed X's taxable income from all sources for the year of deposit. The agreement permits X to make voluntary deposits of amounts equal to 100 percent of its earnings attributable to the operation of agreement vessels, subject to the limitation with respect to taxable income from all sources. The agreement also provides that deposits attributable to such earnings may be in the form of cash or other property. On March 15, 1973, X deposits, with respect to its 1972 earnings attributable to the operation of agreement vessels, stock with a fair market value at the time of deposit of \$80,000 and an adjusted basis to X of \$10,000. Such deposit represents agreement vessel income of \$80,000. At the time of deposit, such stock had been held by X for a period exceeding 6 months. X does not elect under subparagraph (2) of this paragraph to defer recognition of the gain. Accordingly, under subparagraph (1)(iii) of this paragraph, the deposit is treated as a deposit of \$80,000 and X realizes a long-term capital gain of \$70,000 on March 15, 1973.

Example (2). The facts are the same as in example (1), except that X elects in accordance with subparagraph (2) of this paragraph not to treat the deposit as a sale or exchange. On July 1, 1974, the fund sells the stock for \$85,000. The basis to the fund of the stock is \$80,000 (see subparagraph (1)(ii)(a) of this paragraph). With respect to non fund property, X recognizes \$70,000 of long-term capital gain on the sale includible in its gross income for 1974. With respect to fund property, X realizes \$5,000 of long-term capital gain (the difference between the amount received by the fund on the sale of the stock, \$85,000, and the basis to the fund of the stock, \$80,000), an amount equal to which is required to be deposited into the fund with respect to 1974, as a gain from the investment or reinvestment of amounts held in the fund. Since the fund held the stock for a period exceeding 6 months, the \$5,000 is allo-

cated to the fund's capital gain account under § 391.4(c).

Example (3). The facts are the same as in example (2), except that the fund sells the stock on July 1, 1974, for \$75,000. As the basis to the fund of the stock is \$80,000 with respect to fund property, X realizes a long-term capital loss on the sale (the difference between the amount received by the fund on the sale of the stock, \$75,000, and the basis to the fund of the stock, \$80,000), of \$5,000, an amount equal to which is required to be charged against the fund's capital gain account under § 391.4(e). Under subparagraph (2) of this paragraph, X recognizes \$70,000 of long-term capital gain with respect to nonfund property on the sale which is includible in its gross income for 1974.

Example (4). The facts are the same as in example (2), except that on July 1, 1974, X makes a qualified withdrawal (as defined in § 391.5(a)) of the stock and uses it to pay indebtedness pursuant to § 391.5(b). On the disposition by X considered to occur under subparagraph (3) of this paragraph on the qualified withdrawal, X recognizes \$70,000 of long-term capital gain with respect to nonfund property, which is includible in its gross income for 1974, and a long-term capital gain of \$5,000 with respect to fund property, an amount equal to which is allocated to the fund's capital gain account under § 391.4(c). The fund is treated as having a qualified withdrawal of an amount equal to the fair market value of the stock on the day of withdrawal, \$85,000 (see subparagraph (3) of this paragraph). In addition, \$85,000 is applied against the various accounts in the order provided in § 391.6(b). The basis of the vessel with respect to which the indebtedness was incurred is to be reduced as provided in § 391.6(c).

Example (5). The facts are the same as in example (2), except that X withdraws the stock from the fund in a nonqualified withdrawal (as defined in § 391.7(b)). Under subparagraph (4) of this paragraph, X recognizes no gain or loss with respect to fund or nonfund property on such withdrawal. An amount equal to the basis of the stock to the fund (\$80,000) is applied against the various accounts in the order provided in § 391.7(c), and is taken into account in computing X's taxable income for 1974 as provided in § 391.7(d). In addition, X must pay interest on the withdrawal as provided in § 391.7(e). The basis to X of the stock is \$10,000 notwithstanding the fact that the fair market value of such stock was \$85,000 on the day of withdrawal (see paragraph (g)(4) of this section).

§ 391.3 Nontaxability of deposits.

(a) *In general.* Section 607(d) of the Act sets forth the rules concerning the income tax effects of deposits made with respect to ceilings described in

section 607(b) and § 391.2. The specific treatment of deposits with respect to each of the subceilings is set forth in paragraph (b) of this section.

(b) *Treatment of deposits*—(1) *Earnings of agreement vessels.* Section 607(d)(1)(A) of the Act provides that taxable income of the party (determined without regard to section 607 of the Act) shall be reduced by an amount equal to the amount deposited for the taxable year out of amounts referred to in section 607(b)(1)(A) of the Act and § 391.2(a)(1)(i). For computation of the foreign tax credit, see paragraph (i) of this section.

(2) *Net proceeds from agreement vessels and fund earnings.* (i)(a) Section 607(d)(1)(B) provides that gain from a transaction referred to in section 607(b)(1)(C) of the Act and § 391.2(a)(1)(iii) (relating to ceilings on deposits of net proceeds from the sale or other disposition of agreement vessels) is not to be taken into account for purposes of the Code if an amount equal to the net proceeds from transactions referred to in such sections is deposited in the fund. Such gain is to be excluded from gross income of the party for the taxable year to which such deposit relates. Thus, the gain will not be taken into account in applying section 1231 of the Code for the year to which the deposit relates.

(b) [Reserved]

(ii)(a) Section 607(d)(1)(C) of the Act provides that the earnings (including gains and losses) from the investment and reinvestment of amounts held in the fund and referred to in section 607(b)(1)(D) of the Act and § 391.2(a)(1)(iv) shall not be taken into account for purposes of the Code if an amount equal to such earnings is deposited into the fund. Such earnings are to be excluded from the gross income of the party for the taxable year to which such deposit relates.

(b) However, for purposes of the basis adjustment under section 1232(a)(3)(E) of the Code, the ratable monthly portion of original issue discount included in gross income shall be determined without regard to section 607(d)(1)(C) of the Act.

(iii) In determining the tax liability of a party to whom paragraph (b)(1) of this section applies, taxable income,

determined after application of paragraph (b)(1) of this section, is in effect reduced by the portion of deposits which represent gain or earnings respectively referred to in paragraph (b)(2) (i) or (ii) of this section. The excess, if any, of such portion over taxable income determined after application of paragraph (b)(1) of this section is taken into account in computing the net operating loss (under section 172 of the Code) for the taxable year to which such deposits relate.

(3) *Time for making deposits.* (i) This section applies with respect to an amount only if such amount is deposited in the fund pursuant to the agreement and not later than the time provided in paragraph (b)(2) (ii), (iii), or (iv) of this section for the making of such deposit or the date the Secretary of Transportation provides, whichever is earlier.

(ii) Except as provided in paragraph (b)(2) (iii) or (iv) of this section, a deposit may be made not later than the last day prescribed by law (including extensions thereof) for filing the party's Federal income tax return for the taxable year to which such deposit relates.

(iii) If the party is a subsidized operator under an operating-differential subsidy contract, and does not receive on or before the 59th day preceding such last day, payment of all or part of the accrued operating-differential subsidy payable for the taxable year, the party may deposit an amount equivalent to the unpaid accrued operating-differential subsidy on or before the 60th day after receipt of payment of the accrued operating-differential subsidy.

(iv) A deposit pursuant to § 391.2(a)(3)(i) (relating to underdeposits caused by audit adjustments) must be made on or before the date prescribed for such a deposit in § 391.2(a)(4).

(4) *Date of deposits.* (i) Except as otherwise provided in paragraphs (b)(4) (ii) and (iii) of this section (with respect to taxable years beginning after December 31, 1969, and prior to January 1, 1972), in § 391.2(a)(2)(i), or in § 391.10(b), deposits made in a fund within the time specified in paragraph (b)(3) of this section are deemed to have been made on the date of actual deposit.

(ii)(a) For taxable years beginning after December 31, 1969, and prior to January 1, 1971, where an application for a fund is filed by a taxpayer prior to January 1, 1972, and an agreement is executed and entered into by the taxpayer prior to March 1, 1972,

(b) For taxable years beginning after December 31, 1970, and prior to January 1, 1972, where an application for a fund is filed by a taxpayer prior to January 1, 1973, and an agreement is executed and entered into by the taxpayer prior to March 1, 1973, and

(c) For taxable years beginning after December 31, 1971, and prior to January 1, 1975, where an agreement is executed and entered into by the taxpayer on or prior to the due date, with extensions, for the filing of his Federal income tax return for such taxable year, deposits in a fund which are made within 60 days after the date of execution of the agreement, or on or before the due date, with extensions thereof, for the filing of his Federal income tax return for such taxable year or years, whichever date shall be later, shall be deemed to have been made on the date of the actual deposit or as of the close of business of the last regular business day of each such taxable year or years to which such deposits relate, whichever day is earlier.

(iii) Notwithstanding paragraph (b)(4)(ii) of this section, for taxable years beginning after December 31, 1970, and ending prior to January 1, 1972, deposits made later than the last date permitted under paragraph (b)(4)(ii) but on or before January 9, 1973, in a fund pursuant to an agreement with the Secretary of Transportation acting by and through the Administrator of the National Oceanic and Atmospheric Administration, shall be deemed to have been made on the date of the actual deposit or as of the close of business of the last regular business day of such taxable year, whichever is earlier.

(c) *Determination of earnings and profits.* [Reserved]

(d) *Accumulated earnings tax.* As provided in section 607(d)(1)(E) of the Act amounts, while held in the fund, are not to be taken into account in computing the "accumulated taxable income" of the party within the meaning

of section 531 of the Code. Amounts while held in the fund are considered held for the purpose of acquiring, constructing, or reconstructing a qualified vessel or barges and containers which are part of the complement of a qualified vessel or the payment of the principal on indebtedness incurred in connection with any such acquisition, construction, or reconstruction. Thus, for example, if the reasonable needs of the business (within the meaning of section 537 of the Code) justify a greater amount of accumulation for providing replacement vessels than can be satisfied out of the fund, such greater amount accumulated outside of the fund shall be considered to be accumulated for the reasonable needs of the business. For a further example, although amounts in the fund are not taken into account in applying the tax imposed by section 531 of the Code, to the extent there are amounts in a fund to provide for replacing a vessel, amounts accumulated outside of the fund to replace the same vessel are not considered to be accumulated for the reasonable needs of the business.

(e) *Nonapplicability of section 1231.* If an amount equivalent to gain from a transaction referred to in section 607(b)(1)(C) of the Act and § 391.2(c) (1) and (5) is deposited into the fund and, therefore, such gain is not taken into account in computing gross income under the provisions of paragraph (b)(2) of this section, then such gain will not be taken into account for purposes of the computations under section 1231 of the Code.

(f) *Deposits of capital gains.* In respect of capital gains which are not included in the gross income of the party by virtue of a deposit to which section 607(d) of the Act and this section apply, the following provisions of the Code do not apply; the minimum tax for tax preferences imposed by section 56 of the Code; the alternative tax imposed by section 1201 of the Code on the excess of the party's net long-term capital gain over his net short-term capital loss; and, in the case of a taxpayer other than a corporation, the deduction provided by section 1202 of the Code of 50 percent of the amount of such excess. However, section 56 may apply upon a nonqualified withdrawal

with respect to amounts treated under § 391.7(d)(2) as being made out of the capital gain account.

(g) *Deposits of dividends.* The deduction provided by section 243 of the Code (relating to the deductions for dividends from a domestic corporation received by a corporation) shall not apply in respect of dividends (earned on assets held in the fund) which are deposited into a fund, and which, by virtue of such deposits and the provisions of section 607(d) of the Act and this section, are not included in the gross income of the party.

(h) *Presumption of validity of deposit.* All amounts deposited in the fund shall be presumed to have been deposited pursuant to an agreement unless, after an examination of the facts upon the request of the Commissioner of Internal Revenue or his delegate, the Secretary of Transportation determines otherwise. The Commissioner or his delegate will request such a determination where there is a substantial question as to whether a deposit is made in accordance with an agreement.

(i) *Special rules for application of the foreign tax credit—(1) In general.* For purposes of computing the limitation under section 904 of the Code on the amount of the credit provided by section 901 of the Code (relating to the foreign tax credit), the party's taxable income from any source without the United States and the party's entire taxable income are to be determined after application of section 607(d) of the Act. Thus, amounts deposited for the taxable year with respect to amounts referred to in section 607(b)(1)(A) of the Act and § 391.2(a)(1)(i) (relating to taxable income attributable to the operation of agreement vessels) shall be treated as a deduction in arriving at the party's taxable income from sources without the United States (subject to the apportionment rules and paragraph (i)(2) of this section) and the party's entire taxable income for the taxable year. Amounts deposited with respect to gain described in section 607(d)(1)(B) of the Act and § 391.2(c) (relating to net proceeds from the sale or other disposition of an agreement vessel and net proceeds from insurance or indemnity) and amounts deposited with respect to

earnings described in section 607(d)(1)(C) of the Act and paragraph (b)(2)(ii) (relating to earnings from the investment and reinvestment of amounts held in a fund) of this section are not taken into account for purposes of the Code and hence are not included in the party's taxable income from sources without the United States or in the party's entire taxable income for purposes of this paragraph.

(2) *Apportionment of taxable income attributable to agreement vessels.* For purposes of computing the overall limitation under section 904(a)(2) of the Code the amount of the deposit made with respect to taxable income attributable to agreement vessels pursuant to § 391.2(a)(1)(i) which is allocable to sources without the United States is the total amount of such deposit multiplied by a fraction the numerator of which is the gross income from sources without the United States from the operation of agreement vessels and the denominator of which is the total gross income from the operation of agreement vessels computed as provided in § 391.2(b)(2). For purposes of this paragraph, gross income from sources without the United States attributable to the operation of agreement vessels is to be determined under sections 61 through 863 of the Code and under the taxpayer's usual method of accounting provided such method is reasonable and in keeping with sound accounting practice. Any computation under the per-country limitation of section 904(a)(1) shall be made in the manner consistent with the provisions of the preceding sentences of this paragraph.

§ 391.4 Establishment of accounts.

(a) *In general.* Section 607(e)(1) of the Act requires that three bookkeeping or memorandum accounts are to be established and maintained within the fund: The capital account, the capital gain account, and the ordinary income account. Deposits of the amounts under the subceilings in section 607(b) of the Act and § 391.2 are allocated among the accounts under section 607(e) of the Act and this section.

(b) *Capital account.* The capital account shall consist of:

(1) Amounts referred to in section 607(b)(1)(B) of the Act and § 391.2

§ 391.4

46 CFR Ch. II (10–1–07 Edition)

(a)(1)(ii) (relating to deposits for depreciation),

(2) Amounts referred to in section 607(b)(1)(C) of the Act and § 391.2(a)(1)(iii) (relating to deposits of net proceeds from the sale or other disposition of agreement vessels) other than that portion thereof which represents gain not taken into account for purposes of computing gross income by reason of section 607(d)(1)(B) of the Act and § 391.3(b)(2) (relating to nontaxability of gain from the sale or other disposition of an agreement vessel),

(3) Amounts representing 85 percent of any dividend received by the fund with respect to which the party would, but for section 607(d)(1)(C) of the Act and § 391.3(b)(2)(ii) (relating to nontaxability of deposits of earnings from investment and reinvestment of amounts held in a fund), be allowed a deduction under section 243 of the Code, and

(4) Amounts received by the fund representing interest income which is exempt from taxation under section 103 of the Code.

(c) *Capital gain account.* The capital gain account shall consist of amounts which represent the excess of (1) deposits of long-term capital gains on property referred to in section 607(b)(1) (C) and (D) of the Act and § 391.2(a)(1) (iii) and (iv) (relating respectively to certain agreement vessels and fund assets), over (2) amounts representing losses from the sale or exchange of assets held in the fund for more than 6 months (for purposes of this section referred to as “long-term capital losses”). For purposes of this paragraph and paragraph (d)(2) of this section, an agreement vessel disposed of at a gain shall be treated as a capital asset to the extent that gain thereon is not treated as ordinary income, including gain which is ordinary income under section 607(g)(5) of the Act (relating to treatment of gain on disposition of a vessel with a reduced basis) and § 391.6(e) or under section 1245 of the Code (relating to gain from disposition of certain depreciable property). For provisions relating to the treatment of short-term capital gains on certain transactions involving agreement vessels or realized by the fund, see paragraph (d) of this section. For rules relating to the treatment of capital

losses on assets held in the fund, see paragraph (e) of this section.

(d) *Ordinary income account.* The ordinary income account shall consist of:

(1) Amounts referred to in section 607(b)(1)(A) of the Act and § 391.2(a)(1)(i) (relating to taxable income attributable to the operation of an agreement vessel),

(2) Amounts representing (i) deposits of gains from the sale or exchange of capital assets held for 6 months or less (for purposes of this section referred to as “short-term capital gains”) referred to in section 607(b)(1) (C) or (D) of the Act and § 391.2(a)(1) (iii) and (iv) (relating respectively to certain agreement vessels and fund assets), reduced by (ii) amounts representing losses from the sale or exchange of capital assets held in the fund for 6 months or less (for purposes of this section referred to as “short-term capital losses”). For rules relating to the treatment of certain agreement vessels as capital assets, see paragraph (c) of this section,

(3) Amounts representing interest (not including any tax-exempt interest referred to in section 607(e)(2)(D) of the Act and paragraph (b)(4) of this section) and other ordinary income received on assets held in the fund (not including any dividend referred to in section 607(e)(2)(C) of the Act and paragraph (d)(5) of this section),

(4) Amounts representing ordinary income from a transaction (involving certain net proceeds with respect to an agreement vessel) described in section 607(b)(1)(C) of the Act and § 391.2(a)(1)(iii), including gain which is ordinary income under section 607(g)(5) of the Act and § 391.6(e) (relating to treatment of gain on the disposition of a vessel with a reduced basis) or under section 1245 of the Code (relating to gain from disposition of certain depreciable property), and

(5) Fifteen percent of any dividend referred to in section 607(e)(2)(C) of the Act and paragraph (b)(3) of this section received on any assets held in the fund.

(e) *Limitation on deduction for capital losses on assets held in a fund.* Except on termination of a fund, long-term (and short-term) capital losses on assets held in a fund shall be allowed only as an offset to long-term (and short-term) capital gains on assets held in the fund,

but only if such gains are deposited into the fund, and shall not be allowed as an offset to any capital gains on assets not held in the fund. The net long-term capital loss of the fund for the taxable year shall reduce the earliest long-term capital gains in the capital gain account at the beginning of the taxable year and the next short-term capital loss for the taxable year shall reduce the earliest short-term capital gains remaining in the ordinary income account at the beginning of the taxable year. Any such losses that are in excess of the capital gains in the respective accounts shall reduce capital gains deposited into the respective accounts in subsequent years (without regard to section 1212, relating to capital loss carrybacks and carryovers). On termination of a fund, any net long-term capital loss in the capital gain account and any net short-term capital loss remaining in the ordinary income accounts is to be taken into account for purposes of computing the party's taxable income for the year of termination as a long-term or short-term (as the case may be) capital loss recognized in the year the fund is terminated. With respect to the determination of the basis to a fund of assets held in such fund, see § 391.2(g).

§ 391.5 Qualified withdrawals.

(a) *In general.* (1) A qualified withdrawal is one made from the fund during the taxable year which is in accordance with section 670(f)(1) of the Act, the agreement, and with regulations prescribed by the Secretary of Transportation and which is for the acquisition, construction, or reconstruction of a qualified vessel (as defined in § 391.11(a)(2)) or barges and containers which are part of the complement of a qualified vessel (or shares in such vessels, barges, and containers), or for the payment of the principal of indebtedness incurred in connection with the acquisition construction, or reconstruction of such qualified vessel (or a barge or container which is part of the complement of a qualified vessel).

(2) For purposes of this section the term *share* is used to reflect an interest in a vessel and means a proprietary interest in a vessel such as, for example, that which results from joint owner-

ship. Accordingly, a share within the meaning of § 391.2(f) (relating to the definition of "agreement vessel" for the purpose of making deposits) will not necessarily be sufficient to be treated as a share within the meaning of this section.

(3) For purposes of this section, the term *acquisition* means any of the following:

(i) Any acquisition, but only to the extent the basis of the property acquired in the hands of the transferee is its cost. Thus, for example, if a party transfers a vessel and \$1 million in an exchange for another vessel which qualifies for nonrecognition of gain or loss under section 1031(a) of the Code (relating to like-kind exchange), there is an acquisition to the extent of \$1 million.

(ii) With respect to a lessee's interest in a vessel, expenditures which result in increasing the amounts with respect to which a deduction for depreciation (or amortization in lieu thereof) is allowable.

(b) *Payments on indebtedness.* Payments on indebtedness may constitute qualified withdrawals only if the party shows to the satisfaction of the Secretary of Transportation a direct connection between incurring the indebtedness and the acquisition, construction, or reconstruction of a qualified vessel or its complement of barges and containers whether or not the indebtedness is secured by the vessel or its complement of barges and containers. The fact that an indebtedness is secured by an interest in a qualified vessel, barge, or container is insufficient by itself to demonstrate the necessary connection.

(c) *Payments to related persons.* Notwithstanding paragraph (a) of this section, payments from a fund to a person owned or controlled directly or indirectly by the same interests as the party within the meaning of section 482 of the Code and the regulations thereunder are not to be treated as qualified withdrawals unless the party demonstrates to the satisfaction of the Secretary of Transportation that no part of such payment constitutes a dividend, a return of capital, or a contribution to capital under the Code.

(d) *Treatment of fund upon failure to fulfill obligations.* Section 607(f)(2) of the Act provides that if the Secretary of Transportation determines that any substantial obligation under the agreement is not being fulfilled, he may, after notice and opportunity for hearing to the party, treat the entire fund, or any portion thereof, as having been withdrawn as a nonqualified withdrawal. In determining whether a party has breached a substantial obligation under the agreement, the Secretary will consider among other things, (1) the effect of the party's action or omission upon his ability to carry out the purposes of the fund and for which qualified withdrawals are permitted under section 607(f)(1) of the Act, and (2) whether the party has made material misrepresentations in connection with the agreement or has failed to disclose material information. For the income tax treatment of nonqualified withdrawals, see § 391.7.

§ 391.6 Tax treatment of qualified withdrawals.

(a) *In general.* Section 607(g) of the Act and this section provide rules for the income tax treatment of qualified withdrawals including the income tax treatment on the disposition of assets acquired with fund amounts.

(b) *Order of application of qualified withdrawals against accounts.* A qualified withdrawal from a fund shall be treated as being made: First, out of the capital account; second, out of the capital gain account; and third, out of the ordinary income account. Such withdrawals will reduce the balance within a particular account on a first-in-first-out basis, the earliest qualified withdrawals reducing the items within an account in the order in which they were actually deposited or deemed deposited in accordance with this part. The date funds are actually withdrawn from the fund determines the time at which withdrawals are considered to be made.

(c) *Reduction of basis.* (1) If any portion of a qualified withdrawal for the acquisition, construction, or reconstruction of a vessel, barge, or container (or share therein) is made out of the ordinary income account, the basis of such vessel, barge, or container (or

share therein) shall be reduced by an amount equal to such portion.

(2) If any portion of a qualified withdrawal for the acquisition, construction or reconstruction of a vessel, barge, or container (or share therein) is made out of the capital gain account, the basis of such vessel, barge, or container (or share therein) shall be reduced by an amount equal to—

(i) Five-eighths of such portion, in the case of a corporation (other than an electing small business corporation, as defined in section 1371 of the Code), or

(ii) One-half of such portion, in the case of any other person.

(3) If any portion of a qualified withdrawal to pay the principal of an indebtedness is made out of the ordinary income account or the capital gain account, then the basis of the vessel, barge, or container (or share therein) with respect to which such indebtedness was incurred is reduced in the manner provided by paragraphs (c) (1) and (2) of this section. If the aggregate amount of such withdrawal from the ordinary income account and capital gain account would cause a basis reduction in excess of the party's basis in such vessel, barge, or container (or share therein), the excess is applied against the basis of other vessels, barges, or containers (or shares therein) owned by the party at the time of withdrawal in the following order: (i) Vessels, barges, or containers (or shares therein) which were the subject of qualified withdrawals in the order in which they were acquired, constructed, or reconstructed; (ii) agreement vessels (as defined in section 607(k)(3) of the Act and § 391.11(a)(3)) and barges and containers which are part of the complement of an agreement vessel (or shares therein) which were not the subject of qualified withdrawals, in the order in which such vessels, barges, or containers (or shares therein) were acquired by the party; and (iii) other vessels, barges, and containers (or shares therein), in the order in which they were acquired by the party. Any amount of a withdrawal remaining after the application of this paragraph is to be treated as a nonqualified withdrawal. If the indebtedness was incurred to acquire two or more vessels,

barges, or containers (or shares therein), then the basis reduction in such vessels, barges, or containers (or shares therein) is to be made pro rata in proportion to the adjusted basis of such vessels, barges, or containers (or shares therein) computed, however, without regard to this section and adjustments under section 1016(a) (2) and (3) of the Code for depreciation or amortization.

(d) *Basis for depreciation.* For purposes of determining the allowance for depreciation under section 167 of the Code in respect of any property which has been acquired, constructed, or reconstructed from qualified withdrawals, the adjusted basis for determining gain on such property is determined after applying paragraph (c) of this section. In the case of reductions in the basis of any property resulting from the application of paragraph (c)(3) of this section, the party may adopt a method of accounting whereby (1) payments shall reduce the basis of the property on the day such payments are actually made, or (2) payments made at any time during the first half of the party's taxable year shall reduce the basis of the property on the first day of the taxable year, and payments made at any time during the second half of the party's taxable year shall reduce the basis of the property on the first day of the succeeding taxable year. For requirements respecting the change of methods of accounting, see § 1.446-1(e)(3) of the Income Tax Regulations of this chapter.

(e) *Ordinary income treatment of gain from disposition of property acquired with qualified withdrawals.* [Reserved]

§ 391.7 Tax treatment of nonqualified withdrawals.

(a) *In general.* Section 607(h) of the Act provides rules for the tax treatment of nonqualified withdrawals, including rules for adjustments to the various accounts of the fund, the inclusion of amounts in income, and the payment of interest with respect to such amounts.

(b) *Nonqualified withdrawals defined.* Except as provided in section 607 of the Act and § 391.8 (relating to certain corporate reorganizations, changes in partnerships, and transfers by reason of death), any withdrawal from a fund

which is not a qualified withdrawal shall be treated as a nonqualified withdrawal which is subject to tax in accordance with section 607(h) of the Act and the provisions of this section. Examples of nonqualified withdrawals are amounts remaining in a fund upon termination of the fund, and withdrawals which are treated as nonqualified withdrawals under section 607(f)(2) of the Act and § 391.5(d) (relating to failure by a party to fulfill substantial obligation under agreement) or under the second sentence of section 607(g)(4) of the Act and § 391.6(c)(3) (relating to payments against indebtedness in excess of basis).

(c) *Order of application of nonqualified withdrawals against deposits.* A nonqualified withdrawal from a fund shall be treated as being made: First, out of the ordinary income account; second, out of the capital gain account; and third, out of the capital account. Such withdrawals will reduce the balance within a particular account on a first-in-first-out basis, the earliest nonqualified withdrawals reducing the items within an account in the order in which they were actually deposited or deemed deposited in accordance with this part. Nonqualified withdrawals for research, development, and design expenses incident to new and advanced ship design, machinery, and equipment, and any amount treated as a nonqualified withdrawal under the second sentence of section 607(g)(4) of the Act and § 391.6(c)(3), shall be applied against the deposits within a particular account on a last-in-first-out basis. The date funds are actually withdrawn from the fund determines the time at which withdrawals are considered to be made. For special rules concerning the withdrawal of contingent deposits of net proceeds from the installment sale of an agreement vessel, see § 391.2(c)(6).

(d) *Inclusion in income.* (1) Any portion of a nonqualified withdrawal which, under paragraph (c) of this section, is treated as being made out of the ordinary income account is to be included in gross income as an item of ordinary income for the taxable year in which the withdrawal is made.

(2) Any portion of a nonqualified withdrawal which, under paragraph (c) of this section, is treated as being

§391.7

made out of the capital gain account is to be included in income as an item of long-term capital gain recognized during the taxable year in which the withdrawal is made.

(3) For effect upon a party's taxable income of capital losses remaining in a fund upon the termination of a fund (which, under paragraph (b) of this section, is treated as a nonqualified withdrawal of amounts remaining in the fund), see §391.4(e).

(e) *Interest.* (1) For the period on or before the last date prescribed by law, including extensions thereof, for filing the party's Federal income tax return for the taxable year during which a nonqualified withdrawal is made, no interest shall be payable under section 6601 of the Code in respect of the tax on any item which is included in gross income under paragraph (d) of this section, and no addition to such tax for such period shall be payable under section 6651 of the Code. In lieu of the interest and additions to tax under such sections, simple interest on the amount of the tax attributable to any item included in gross income under paragraph (d) of this section is to be paid at the rate of interest determined for the year of withdrawal under paragraph (e)(2) of this section. Such interest is to be charged for the period from the last date prescribed for payment of tax for the taxable year for which such item was deposited in the fund to the last date for payment of tax for the taxable year in which the withdrawal is made. Both dates are to be determined without regard to any extensions of time for payment. Interest determined under this paragraph which is paid within the taxable year shall be allowed as a deduction for such year under section 163 of the Code. However, such interest is to be treated as part of the party's tax for the year of withdrawal for purposes of collection and in determining any interest or additions to tax for the year of withdrawal under section 6601 or 6651, respectively, of the Code.

(2) For purposes of section 607(h)(3)(C)(ii) of the Act, and for purposes of certain dispositions of vessels constructed, reconstructed, or acquired with qualified withdrawals described in

46 CFR Ch. II (10-1-07 Edition)

§391.6(e), the applicable rate of interest for any nonqualified withdrawal—

(i) Made in a taxable year beginning in 1970 and 1971 is 8 percent.

(ii) Made in a taxable year beginning after 1971, the rate for such year as determined and published jointly by the Secretary of the Treasury or his delegate and the Secretary of Transportation. Such rate shall bear a relationship to 8 percent which the Secretaries determine to be comparable to the relationship which the money rates and investment yields for the calendar year immediately preceding the beginning of the taxable year bear to the money rates and investment yields for the calendar year 1970. The determination of the applicable rate for any such taxable year will be computed by multiplying 8 percent by the ratio which (a) the average yield on 5-year Treasury securities for the calendar year immediately preceding the beginning of such taxable year, bears to (b) the average yield on 5-year Treasury securities for the calendar year 1970. The applicable rate so determined shall be computed to the nearest one-hundredth of 1 percent. If such a determination and publication is made, the latest published percentage shall apply for any taxable year beginning in the calendar year with respect to which publication is made.

(3) No interest shall be payable in respect of taxes on amounts referred to in section 607(h)(2) (i) and (ii) of the Act (relating to withdrawals for research and development and payments against indebtedness in excess of basis) or in the case of any nonqualified withdrawal arising from the application of the recapture provision of section 606(5) of the Merchant Marine Act, 1936, as in effect on December 31, 1969.

(f) *Basis and holding period in the case of property purchased by the fund or considered purchased by the fund.* In the case of a nonqualified withdrawal of property other than money which was purchased by the fund (including deposited property considered under §391.2(g)(1)(ii) as purchased by the fund), the adjusted basis of the property in the hands of the party is its adjusted basis to the fund on the day of the withdrawal. In determining the period for

which the taxpayer has held the property withdrawn in a nonqualified withdrawal, there shall be included only the period beginning with the date on which the withdrawal occurred. For basis and holding period in the case of nonqualified withdrawals of property other than money deposited into the fund, see § 391.2(g)(4).

§ 391.8 Certain corporate reorganizations and changes in partnerships, and certain transfers on death. [Reserved]

§ 391.9 Consolidated returns. [Reserved]

§ 391.10 Transitional rules for existing funds.

(a) *In general.* Section 607(j) of the Act provides that any person who was maintaining a fund or funds under section 607 of the Merchant Marine Act, 1936, prior to its amendment by the Merchant Marine Act of 1970 (for purposes of this part referred to as "old fund") may continue to maintain such old fund in the same manner as under prior law subject to the limitations contained in section 607(j) of the Act. Thus, a party may not simultaneously maintain such old fund and a new fund established under the Act.

(b) *Extension of agreement to new fund.* If a person enters into an agreement under the Act to establish a new fund, he may agree to the extension of such agreement to some or all of the amounts in the old fund and transfer the amounts in the old fund to which the agreement is to apply from the old fund to the new fund. If an agreement to establish a new fund is extended to amounts from an old fund, each item in the old fund to which such agreement applies shall be considered to be transferred to the appropriate account in the manner provided for in § 391.8(d) in the new fund in a nontaxable transaction which is in accordance with the provisions of the agreement under which such old fund was maintained. For purposes of determining the amount of interest under section 607(h)(3)(C) of the Act and § 391.7(e), the date of deposit of any item so transferred shall be deemed to be July 1, 1971, or the date of the deposit in the old fund, whichever is the later.

§ 391.11 Definitions.

(a) As used in the regulations in this part and as defined in section 607(k) of the Act—

(1) The term *eligible vessel* means any vessel—

(i) Constructed in the United States, and if reconstructed, reconstructed in the United States,

(ii) Documented under the laws of the United States, and

(iii) Operated in the foreign or domestic commerce of the United States or in the fisheries of the United States. Any vessel which was constructed outside of the United States but documented under the laws of the United States on April 15, 1970, or constructed outside the United States for use in the U.S. foreign trade pursuant to a contract entered into before April 15, 1970, shall be treated as satisfying the requirements of paragraph (a)(1) of this section and the requirements of paragraph (a)(2)(i) of this section.

(2) The term *qualified vessel* means any vessel—

(i) Constructed in the United States and, if reconstructed, reconstructed in the United States,

(ii) Documented under the laws of the United States, and

(iii) Which the person maintaining the fund agrees with the Secretary of Transportation will be operated in the U.S. foreign, Great Lakes, or non-contiguous domestic trade or in the fisheries of the United States.

(3) The term *agreement vessel* means any eligible vessel or qualified vessel which is subject to an agreement entered into under section 607 of the Act.

(4) The term *vessel* includes cargo handling equipment which the Secretary of Transportation determines is intended for use primarily on the vessel. The term *vessel* also includes an ocean-going towing vessel or an ocean-going barge or comparable towing vessel or barge operated in the Great Lakes.

(b) Insofar as the computation and collection of taxes are concerned, other terms used in the regulation in this part, except as otherwise provided in the Act or this part, have the same

§ 391.11

meaning as in the Code and the regulations thereunder.
